Amdt. dated _____

Reply to Office Action of March 28, 2006

REMARKS/ARGUMENTS

The requirement for Election/Restriction has been noted and has been made.

It is noted that only Claims 12-15 are directed to "a core wall having vertical studs therein". It is believed by applicant that each of the Claims 12-15 is directed to a core wall as shown in Fig. 11.

An action on the merits is requested.

DATED this 5th day of May, 2006.

Respectfully submitted,

Jimmie L. Johnston, Applicant
